

Michigan Department of Transportation's

2008 Research Summit

Lansing Center—Lansing, Michigan
October 1, 2008

Michigan Department of Transportation's
2008 Research Summit

Welcome

Calvin Roberts
Engineer, Office of Research & Best Practices
October 1, 2008

Thank you for being here today

- This Research Summit is an important step for the upcoming research biennium. Today will center on
 - The role of research at MDOT
 - The development of MDOT's 2010-2011 research program
- I appreciate your contributions to making today a success.
